To whom it may concern.

This letter serves to confirm that Shanré Scheepers worked at Nthambo Tree Camp, to gain work experience in the hospitality industry, From September 2016 till end November 2016.

Her duties entailed general camp duties such as the welcoming of guests and giving the guest camp information/introduction, hosting, communicating with guests, helping with general information, etc. She was also a student relief manager when the camp manager was on leave, taking over the camp manager role for a short period of time. This entailed taking on the general management role of stock taking, emailing orders, communicating with our reservations company, making sure staff were completing their duties, etc.

Shanré has good communication skills with guests and has a passion for nature. A working environment where she can work with animals and/or guests would be ideal for her.

If you would like any further information you are welcome to contact me on 063 040 9729 or email me at nthambo@sundestinations.co.za

Yours faithfully,

Nadia Pent

REFERENCE LETTER: Sharne Scheepers
ID 9603260052081

Shanre has been with the company since 23 February 2019 and has excelled in every way. Although she is still fairly young, she is a very mature, driven and responsible person. She is an excellent guide and we only received very good feedback from her guests.

She was at Simbavati for only a very short period of time when we saw her potential and subsequently made her the Camp Host / Guide at one of our smaller lodges with mostly high end clientele. She just excelled in this new role. She goes the extra mile for her guests and gives 100% and more in everything that she does.

She is always prepared to do anything that is expected of her and is prepared to work long hours without complaining. We have found her to be honest, reliable and conscientious.

She has really grown remarkably during her time with Simbavati - as a guide, but also as a manager.

We wish Shanre every success in the future. I can unreservedly recommend her to any position of trust and she will be an asset to any company that employs her.

Sincerely yours

Elmarie Holtzkamp
